TILE REDI®
LUXSHOWER™ PAN

MODEL
DR3060RLWPW

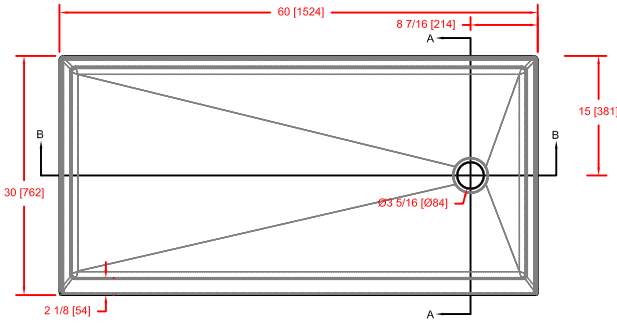

(Not to scale)

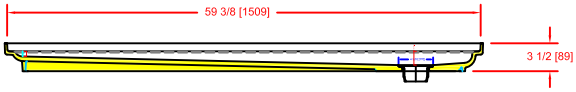

30” x 60” Shower Pan

Right Drain

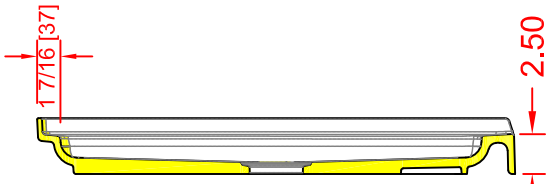

OD: 30” x 60” (762 mm x 1524 mm)
Threshold Height: 2 1/2” (63.5 mm)
Rough Opening:
Shower Pan Weight:

The LuxShower DR3060RLWPW 2 1/2” threshold allows for a low clearance threshold while allowing excellent drainage. The option to add an optional factory applied patented membrane system to the shower pan is perfect for eliminating the risk of leakage at the most vulnerable point between the threshold of the shower pan and the flooring that adjoins, allowing the pan to be tied into a tile or flooring system. LuxShower shower pans meet and exceed the F462 COF testing while being very easy to clean and the 1” water dams allow any wall system to be securely added. The grid system on the bottom of the pan has designed locations where elastomeric adhesion can be used to secure the pan to the substrate which is an advantage over other brands. LuxShower shower pans carry a 10 year factory warranty when installed in accordance to the LuxShower installation instructions.
