MODEL DR4254CLWPW

(Not to scale)

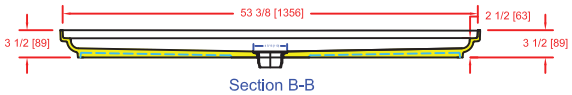

42” x 54” Shower Pan

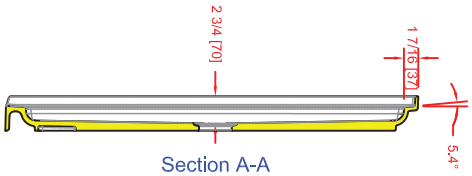

Center Drain

OD: 42” x 54” (1054 mm x 1371 mm)
Threshold Height: 2 1/2” (63.5 mm)
Rough Opening:
Shower Pan Weight: 106 lbs. (48 kg)

The LuxShower DR4254CLWPW 2 1/2” threshold allows for a low clearance threshold while allowing excellent drainage. The option to add an optional factory applied patented membrane system to the shower pan is perfect for eliminating the risk of leakage at the most vulnerable point between the threshold of the shower pan and the flooring that adjoins, allowing the pan to be tied into a tile or flooring system. LuxShower shower pans meet and exceed the F462 COF testing while being very easy to clean and the 1” water dams allow any wall system to be securely added. The grid system on the bottom of the pan has designed locations where elastomeric adhesion can be used to secure the pan to the substrate which is an advantage over other brands. LuxShower shower pans carry a 10 year factory warranty when installed in accordance to the LuxShower installation instructions.
